

RMPLC Member/Board Meeting, February 18th, 2012 at Valhalla

I and the current RMPLC Board of Directors (cc'ed in this email) are pleased to invite you to the Rocky Mountain Pointing Lab Club Annual meeting.

It will be held on February 18th at Valhalla Kennels and Gun Dogs.

Russell and Steph were kind enough to let us use their clubhouse for the meeting. We will also be doing some marks after the meeting depending on ground availability and interest level/timing.

The Board of Directors will be discussing the below. All are welcome to attend. Members will also be able to vote for the new BOD's.

- 1) Welcome
- 2) Old business - recap of last year programs, financial report
- 3) Election of board of directors and officers.
- 4) New business - club activities & fund raising (formal training days, informal training groups, seminars, mock hunt test, other).
Set target dates for activities
- 5) other?

If you are looking for a pointing lab training group in your area, I encourage you to attend. RMPLC sponsored two seminars from seasoned professional dog trainers as well as a Mock Hunt Test and numerous informal training days.

Come on out meet some new people and check out the grounds at Valhalla. Membership rates are very reasonable. If you are looking for a place to do some upland training on your own, the birds and grounds to release them are on-site.

Also, if you are interested in being on the Board of Directors, please let me know.

Please RSVP via email to me if you plan on attending.

Current members, or new members, membership renewal is due!
